

MESSAGE TO NCS STUDENTS
FROM THE CHIEF OF THE NAVAL STAFF
ON CHILDREN'S DAY 2022

1. On the happy occasion of '*Bal Divas*', on behalf of the Indian Navy, I extend best wishes and greetings to all the children studying at Navy Children Schools. Today, our Country is pursuing a dream of becoming a fully developed Nation by the year 2047. Each one of you will play a very important part in this journey - **you** are our future. I am convinced that, the bright flame burning within each one of you, will be the light that shows the way. I wish all of you every happiness, joy, and success - not just in your studies, playgrounds, and extra-curricular activities, but also as you explore the wonderful opportunities that life has in store for you. Always dream big, aim high, and follow your passions - all of us will support you at every step.

2. Best of luck in everything - study hard, stay smiling and stay happy.
