Greetings from SpellBee International!

This communication carries the **Results of the International Level of SpellBee International Competition, 2018-19.**

It is with profound thanks and appreciation to **your leadership** and the **teachers' motivation** and support we announce this result.

We congratulate the Winners and ALL the contestants who competed from your School in this Level, as it has to be said, surpassing other contenders and acing all the Levels and reach Level 4 is a feat in itself.

We are sure the world-class linguistic skills acquired by the contestants and the exposure they gained competing outside school at multiple levels would have definitely made them a cut above the rest.

Do accept our congratulations to you, your entire team of teachers and contestants on a job well done!

Thanking you,
For SpellBee International,

N.BalaKumar,
General Manager- Operations.

How we categorise the Rewards?

WINNERS		COMMENDABLE PERFORMERS

How the Level 4 answer papers were assessed? We know the aspiration and perspiration behind every answer paper. The answer sheets were assessed and cross verified by three external teams who were exclusively appointed for this operation. The Toppers’ and Winners’ answer papers were also checked by the Heads of the Examination Department, Content Department and officers at the helm of affairs. We have ensured fairness and accuracy at multiple levels and therefore excuse us for not accepting requests for re-evaluation. Re-re-re-evaluation is our process of evaluation as we make sure no deserving child is deprived of his/her due rewards.

(The tie papers were assessed only if there arose a tie of the scores of the main papers of the toppers. Therefore, the tie score will reflect only for those Toppers whose main scores were found to be tied.)

When will you receive the Rewards? The Prizes, Medals and Certificates will be sent to the school by **5th June 2019** to be distributed in the School Assembly. Do click a few pictures and mail to contact@spellbeeinternational.com to be showcased in our website too.
